Dear friends and family members,

Since our last prayerletter now the regularly every day life has started: Robert is leaving our house at 6:30 a.m. and is coming home at 5 p.m. ... and I am leaving home one hour later to go from school to school.

On the 6th of May 2015 my colleague Joseph and I met the education officer of Dundori and he was allowing me to visit the different school to discuss with the head teachers about starting Bible clubs in their schools. Now I am responsible for the area of Kiratina (next to our home) and the neighbour area called Dundori:

And God has opened many doors: Every yellow marking is one school in which I am teaching a new Bible Club. Altogether there are 17 schools and 26 classes, in nine schools I am teaching two classes. Week by week I am teaching 4067 children from 3 to 15 years. Please help me to pray for those children that they will open their hearts for Jesus and pray also for teachers who are believers and willing to assist me in this ministry and to be willing to teach their own Bible Club that I am able to found new clubs at further schools. That the ministry may grow... Thank you for all your prayers.

On the 18th of July 2015 I was organizing a rally for the Dundori children with the assistance of Joseph and his Nakuru team about „Parables of Christ“. 220 children and teachers were coming. One week later I organized another rally for the Kiratina children about “Noah“. The same amount of children and teachers were coming. Everybody was totally amazed about the rallies and we had lots of fun. On the 3rd and 10th of October we will continue with another two rallies.

Jesus-Movie and Bibles

From the 16th till the 24th of July 2015 we were visiting 20 schools in my both areas to show the Jesus movie to the children. Because my colleague Joseph is a member of Gideon International we used this opportunity to give every child from Standard 4 on a New Testament (NT) and therefore we were able to give 8390 NTs to the children and 96 full Bibles to the offices for the teachers. Please pray that the children get to know Jesus as their personal Lord and Saviour by reading these Bibles. Thanks for your prayers!

In Robert’s Bible school the first term is now finished and he has holidays. Therefore Robert went to Tanzania to visit his family. The school is opening again on the 7th of September 2015. Please pray also for his studies. Thank you.

Robert’s Bible School

Robert is leading worship.

Together we are attending AIC Kiratina and we both are involved in the church ministry on Sundays. Robert is a member of the worship team, he assists the church choir and he leads a dancing group for children. And I am teaching Sundayschool and I make a program for the children during the preaching and together with a young church member I am leading a teens’ club. We both enjoy this ministry.

Blessings and greetings,
Yours

Robert & Dani
